WHILE STOCKS LAST | HQ

by Marleine Chedraoui

Dear colleagues,

At this year's edition of the Basel Social Club (BSC) my work 'WHILE STOCKS LAST | HQ' will be shown. The fourth edition of the BSC will focus on topics such as value systems, social contrasts and questions of currency, exchange and prosperity.

The concept of 'WHILE STOCKS LAST | HQ' envisages performers who are artists by profession standing individually at different locations in public space in Basel. They each hold a sign with the following inscription on the front: 'I am an artist. Please PROMOTE me.'. The other identical signs they are carrying are for sale, and they receive a fifty per cent share of the proceeds. On the back of the sign is a QR code that leads to my website, where information about the project is listed, including the names of all participating artists and links to their websites and Instagram accounts.

For the realisation of the work 'WHILE STOCKS LAST | HQ', I am looking for colleagues from all areas of the visual arts to take part in the project. The action will take place from 15 to 21 June 2025.

For questions and further information you can contact me via whilestockslast-hq@marleine-chedraoui.de. If necessary, we can also talk on the phone.

If you would like to participate, please send me an e-mail to whilestockslast-hq@marleine-chedraoui.de and indicate the day or days in question and include the address of your website* (URL). This is needed to make you and your artistic work visible in the context of the work.

Best regards

Marleine Chedraoui
